Remembrance Day - Did You Know?

The Battle of Vimy Ridge took place on April 9, 1917. The victorious battle is one of the greatest Canadian accomplishments of the First World War and gave Canada an honoured place among the community of nations. The Canadian National Vimy Memorial, designed by a Canadian- Walter Alward in 1936, pays tribute to all Canadians who served their country in battle, or risked their lives during the First World War. Inscribed on the Memorial are the names of 11,285 Canadian soldiers who were posted "missing, presumed dead" in France.

Congratulations
